Re: ***United States v. Nicholas Tartaglione***  
**16 Cr. 832 (KMK)**

Dear Honorable Karas:

We write, with the consent of the Government, to request the Court's permission to revise our agreed upon Proposed Scheduling Order with respect to Motions *in limine* and to separate the motions *in limine* relating to liability and penalty from one another. The combined motions are currently due on January 2, 2023. We propose the following deadlines with the same time frame originally agreed upon for Oppositions and Replies:

Liability Phase Trial:

Motions *in limine* for Liability Trial: January 13, 2023

Oppositions to Motions *in limine*: January 27, 2023

Replies to Motions *in limine*: February 3, 2023

Penalty Phase Trial:

Motions *in limine* for Penalty Trial: January 23, 2023

Oppositions to Motions *in limine*: February 6, 2023

Replies to Motions *in limine*: February 13, 2023

The request for more time is necessary as we will be receiving 3500 materials just prior to the holidays that will likely contain information relevant to such motions. Thank you for your time and consideration.

Granted.

So Ordered.

12/1/22

Respectfully submitted,

/s/Bruce Barket
